Dear Mr. Gottesman:

I would like to request a copy of all records, documents, evacuations notices or other public documents for the Avon Railroad Yard in Avon, IN for the CSX Railroad and predecessors from 1980 to 2004 which documents any incidents involving chemical exposure or discharge.

Please let me know if you have any questions regarding our request. Also, please let me know if there are any charges that will be associated with this document request before starting the process. I look forward to hearing from you soon. Thank you in advance for your help.

Sincerely,
Wallace & Graham, PA
